

Health and Safety Committee Members Meeting

May 16, 2026

EZ opens the meeting at 9:05am MST

There were 6 attendees to this meeting.

Topics discussed:

- H&S User Guide update.
 - Email address now available for National Committee (HSCanparNationalUSW@1976usw.ca) this will be sent out to all members through a Direct Link.
 - Hazard forms and how/when to use them (these will be distributed through Direct Link), specifically for overweight freight, and heat.
 - Keeping ongoing items in the H&S minute.
-
- BC – folks jumping over the belt daily. Trying to come to a compromise with management. Need to educate the membership on it.
 - BC – going under the conveyor system, using pallets with zip ties to stop people from going under the conveyor system.
 - BC – men using women’s washroom because there are not adequate washrooms for the men.
 - JM – warehouse temperature in winter is too cold.
 - JG – heating elements need to be checked to see if they need to be replaced.
 - JM – will get back to committee with requested information.
 - JG – member in Windsor had issue with the cross breeze coming into the trailer while working. Have discussed with management to have different doors opened to avoid the breeze.

Meeting end at 9:45am MST

Next meeting scheduled for August 29, 2026 @9am MST.
