TO ALL MEMBERS OF TC LOCAL 1976 AT CANPAR UNIT 2301:

Brother and Sisters,

The year 2025 was a busy one for Local 1976 and half of 2026 has passed by already. We would like to provide you all an update for the Year 2026 from January to June 30,2026.

Currently for Unit 2301 we are excited to announce that there are no Grievances that are open at this time:

- 4 files have been closed
- 1 file is awaiting to be heard in Arbitration
- 2 files have been resolved through the Grievance process
- 15 files have been resolved between the Company and the Union without having the dispute arrive at the Grievance level.

These results are a reflection of good Labour Relations and a collaborative relationship between the Union and the Company.

We want to share this info as we feel it is important that our members are aware of all the work being done behind the scenes. It is important that you support your Local Unit Chair, Recording Secretary, Stewards and Business Agents as they are the ones who assist us in achieving these results.
