TO ALL MEMBERS OF TC LOCAL 1976 AT CANPAR UNIT 2307:

Brother and Sisters,

The year 2025 was a busy one for Local 1976 and half of 2026 has passed by already. We would like to provide you all an update for the Year 2026 from January to June 30, 2026.

Currently for Unit 2307 we are excited to announce that there are no Grievances that are open at this time.

There are few interviews that will be conducted with management in the near future and we will work to having a resolve when those meetings take place.

These results are a reflection of good Labour Relations and a collaborative relationship between the Union and the Company.

We want to share this info as we feel it is important that our members are aware of all the work being done behind the scenes. It is important that you support your Local Unit Chair, Recording Secretary, Stewards and Chief Stewards as they are the ones who assist us in achieving these results.
