IMPORTANT COMMUNICATION TO EMPLOYEES AT PORTER AIRLINES:

Brothers and Sisters,

We are providing you an update on the certification for representation of the employees at Porter Airlines in Toronto (YYZ). The Canadian Industrial Relations Board (CIRB) has rendered their decision and has accepted the certification and we are excited to announce that you are officially part of USW TC Local 1976.

We will now begin the process of preparing your first collective agreement.

More information will be communicated in the very near future and we will walk you through all the steps that need to begin before meeting with the company.

We appreciate all your patience; it has been a long wait but the result is a positive one. We look forward to begin the journey and we will be working together to achieve a fair contract for all the hard-working customer service agents at YYZ airport.

Communication is the key. If you colleagues are not receiving these union emails, please refer them to send their contact information to info@1976usw.ca.
All information is kept confidential.

Congratulations to all and looking forward to meeting you all!
