IMPORTANT COMMUNICATION TO EMPLOYEES AT PORTER AIRLINES:

Brothers and Sisters,

We want to reach out to provide you a small update. We have reached out to the Company to have an introductory meeting but have yet to have a reply. While we are waiting for a commitment to meet, we have begun to move into a direction where we will serve the company notice to bargain in the very near future.

Our next step is to form a Bargaining Committee followed by a survey asking all members what their priorities are for their first contract.
It is imperative that all members participate in this exercise, the members need to voice out what their concerns are and what they would like to see in their contract.

We have over 95 employees that have registered to our email communications.
Please pass all information to your peers so that they can get engaged and share their concerns and priorities.
Members who are not in the distribution list should email their contact information to the Local at info@1976usw.ca.
All information is kept confidential.

We are excited to begin the first chapter of this journey with you all.
Get the word out and stay tuned for new information in the very near future.

In Solidarity,

Manny D'Souza
