IMPORTANT COMMUNICATION TO EMPLOYEES AT PORTER AIRLINES:

Brothers and Sisters,

We want to reach out to provide you a small update. We have reached out to the Company and we have coordinated a face-to-face meeting with Leadership. This meeting will take place on Monday July 13, 2026. Marty Warren (USW Canadian National Director), Derek Teolis (USW National Staff Representative) and myself will be attending the meeting to begin introductions and sharing our objectives in negotiating your first collective agreement.

Soon we will build a Bargaining Committee and which will then be followed by sending a survey asking all members what their priorities are for their first contract. It is imperative that all members participate in this exercise, the members need to voice out what their concerns are and what they would like to see in their contract.

We have over 125 employees have registered in our email distribution link so please pass all information along to your peers so that they can get engaged and share their concerns and priorities.
