IMPORTANT COMMUNICATION TO EMPLOYEES AT PORTER AIRLINES:

Brothers and Sisters,

On Monday July 13th, 2026 we had an introductory meeting with Porter Airlines Leadership. We had a very positive conversation and we will be sharing calendars to begin the process of bargaining your first contract. Both parties committed to collaboration and transparency which in our view is the best way to start a working relationship.
In the very near future, we will send out bargaining surveys to our members so that you can share what your priorities are so that the bargaining committee can begin their work on preparing proposals for this very important first contract.

It is essential that all members participate in the survey, as your input will directly shape our bargaining priorities. Please also pass this information along to any members who are not currently on our distribution list so they can receive important updates throughout bargaining.

To join the distribution list please email info@1976usw.ca with your name, employee number and email address to receive all future communications.

In Solidarity,

Manny D'Souza
