TO ALL MEMBERS OF TC LOCAL 1976 AT CANPAR ACROSS CANADA

Brothers and Sisters,

As of June 1, 2024 your new Chief Stewards will begin their 3-year mandate. Please welcome David Hill, Vihn Luu and Glen Rankine to the leadership team. Their role is to provide our Canpar members guidance and assistance when required. In addition, they will be working with our two Business agents if grievances reach escalation. The territories have been mapped out, David will cover western Ontario with parts of the south and Vihn will cover the Eastern area for the terminals of JCC, Brampton Concord and Markham. Glen will cover BC and assist our District 3 VP with other locations when required. Our Chief Stewards will also be supporting our Unit Presidents. The Maritimes will be assisted by our Business agents Peter Aligianis and Jonathan Grdic.

Vihn is currently on leave so for those members in his territory please contact your Unit President or Business agents until he returns to work.

In Solidarity,

Manny D'Souza
