### TO MEMBERS OF TC LOCAL 1976 AT CP RAIL UNIT 49 WINNIPEG:

Brothers and Sisters,

As you are aware, we had an election at the beginning of May taking effect on June 1<sup>st</sup> and your unit has seen some changes happen.

I want to start by congratulating Millie and Evan for their elections as President and Secretary of your unit.

In order to clarify who does what, you'll find below who to address your concerns to.

Milli Bansal and Evan Fitch are now the President and Secretary of your unit and are in charge of representing the members of unit 49 during investigations, meetings between employees and employer, writing step 1 grievances and answering any of the questions or concerns you may have related to the daily affairs of unit 49. They are also in charge of scheduling and holding unit meetings

Jeffrey Howell is the chief Steward for CP across the country and his duties are to write step 2 grievances, deal with LR trying to resolve these grievances, write JSI's and closure/appeal letters. He sits on the National Policy committee for CPKC, on the National USW H&S committee. He works on the SES program, and he also sits at the bargaining table.

Jeffrey is also the Chair of the board of Trustees and as such, he's in charge of auditing the finances of the Local and report any discrepancies found in the books. He also makes suggestions to help other groups fix financial issues that may arise from these audits. He is assisted in these duties by two other trustees, Mr. Jonathan Grdic (Canpar) and Mr. Kristopher Marzitelli (Garda).

I hope this clarifies most of the duties and responsibilities for each of them.

In Solidarity,

Nancy Lapointe,  
President, TC Local 1976 USW
