### To all members of Local 1976 USW:

We are pleased to announce that Local 1976 has once again partnered with Union Savings to renew our contract with Vubiz E-learning for another two years.

Vubiz provides free online courses to all members on a wide variety of topics. You and your family can benefit from over 200 courses on such varied topics as accounting, health & safety, insurance, etc.

To start your learning experience, go to:

<https://learn.vubiz.com/Chaccess/USW1976/Default.asp>

To set up an account, you will need to enter your First and Last Name and create a personal password.

You will also need to enter the group password for TC Local 1976 USW. Please contact us at info@1976usw.ca to obtain this password.

Each time you sign in you will need to enter both passwords, so keep them somewhere safe!

We hope that you enjoy the training and make the most of it. We are proud to be able to make this opportunity available to you and your families, free of charge.

In solidarity,

TC Local 1976 USW
