**GR-** brings the meeting to order, passes the floor to **AD**.

**AD-** explains heat stress tips. Will send reps posters.

Explains what harassment is, both with co-workers as well as customers.

Communications between drivers/OO's and the company. Company using phone instead of the scanner meg system.

**CC-** Waiting for training.

Some locations do not require OO/s to report accidents. We believe this is not the case but will check into it.

**DS-** Uniforms, when the company redesigns them, add more reflective material like ICS.

Put scanner cradles in the tucks, charging and access to the GPS. Lack of functioning door locks on some trucks.

**AD-** Will follow up.

**DS-** More H&S posters sent to the terminals.

**SJ-** complaints regarding the sanitation of her terminal. no cleaning being done, disgusting!! **DS-** would like to have a printed copy of part 2 of the Canada Labour Code sent to him.

**DS-** requests to have all Canpar H&S reps share their contact info.

Close of meeting.
