Notice of Meeting

To all members of Unit 49 (Winnipeg)

Please be advised that the President Lapointe and Vice-President D'Souza will be holding a walk-in meeting on Wednesday October 4 from 07h00 to 15h30.

This meeting will be held in **Building 6** in the **Minnedosa** room.

Arrangement are being made so the heads of your departments will know of our presence and will allow you to come and chat with us in a manner that will not be too disturbing to the operations.

Feel free to come and meet with them and discuss the final offer the company has put forward for the renewal of the Collective Agreement.

Once the voting process has been finalized, you will be informed in the same manner as previous info has been provided to you.

Regards,

Your bargaining committee.
